THE NUTRITIVE CURE.

MR. EDITOR—Having in my own family fully tested the LAROT NUTRITIVE CURE, I desire to give my testimony in its favor by a brief statement of my wife's case.

My wife, Mrs. HANNAH L. BEAN, aged 31, was born with a scrofulous temperament, and feeble from a child. For the past seven years she has been an invalid, and a great sufferer from a complication of causes, such as Ague, Asthma, Headache, Sore Eyes, Kidney and other Diseases peculiar to her sex.

Dyspepsia, (the bowels were never regular till now.) Paralysis, Numbness of one side, affecting her speech, Sore Stomach, and general Nervous Debility. For five years past, she has been tormented with Salt Rheum, covering nearly the whole surface, and which resisted all the old and new processes of medicine, till we had begun to despair of her recovery. Finally, having lost all confidence in drugs and dressing, last October we put her under the treatment of LAROT NUTRITIVE CURE, the author of the "Nutritive Cure," and now (thanks to his skill and kindness) her leprosy is all gone, and her general health is so much improved in all respects, that she is able to do her usual household duties.

Others similarly afflicted may know where to apply for help. One dime, addressed to LAROT NUTRITIVE CURE, Boston, Mass., will secure, by return mail, a pamphlet of information, from which invalids and the Bazaar may learn what this Method of Cure is, and how its benefits are to be obtained.
